

Declaration of Conformity

We have requested all of our suppliers to keep themselves updated regarding changes in the regulation and amendments to the SVHC-list (Candidate List of Substances of very high concern for Authorization), and to us report any occurrences of SVHC-substances in concentration above 0.1 weight percent in homogenous material. This is a regulatory requirement for companies within EU and we assume this will be fulfilled.

All our larger suppliers have also confirmed that they will do so. ECHA updates the SVHC-list twice per year and we do not have the resources to ask all our suppliers for updated information twice per year. However, we demand updated information from all suppliers about changes in their products that have influences on the directives/regulations handled in this document.

RoHS – 2011/65EU & 2015/863/EU

We certify that all items delivered by Robur Safe comply with RoHS directives, 2011/65/EU & 2015/863/EU.

Complete details of RoHS are located at

http://ec.europa.eu/environment/waste/rohs_eee/legis_en.htm

REACH – 1907/2006/EG

Robur Safe abides by REACH regulation 1907/2006/EG and we keep ourselves informed regarding any updates.

At this moment we have no information of SVHC being present in items delivered by Robur Safe. Neither have we any information that products bought from us the last years have any restrictions listed in annex XIV. The current REACH SVHC Candidate List amended June 25, 2020 (209 substances) can be located at

<http://echa.europa.eu/Candidate-list-table/>.
